Haarlem, NL 

## EXPERIENCE

### UX/UI DESIGNER

May 2021 – Present | Freelance

- Collaborated closely with a design team and the stakeholder to create a well-integrated design of a ticketing system on SaaS community platform for two flows which received a positive feedback from the client.
- Lead client meetings to plan the design strategy and user research.
- Applied Design Thinking and Lean UX frameworks to solve complex user problems.

### KEY ACCOUNT MANAGER (LED LIGHTING)

Jan 2019 - Jun 2021 | Nichia Europe B.V. | Amsterdam, NL

- Managed over 50 multinational accounts by building reputation of knowledge and sensitivity for cultural differences.
- Maintained long-term and new business relationships, achieving 100% of the annual sales targets 2 years in a row.
- Designed promotional brochures and identified advertising strategies while collaborating with a marketing team on a 6-month long marketing project.

### SALES ASSOCIATE

May 2017 - Dec 2018 | Nichia Europe B.V. | Amsterdam, NL

- Demonstrated meticulousness when processing orders of thousands of varied technical parts daily.
- Improved internal communications by mediating between the management and the team of 36 employees while volunteering in an employee representative body (PVT).
- Promoted within 18 months due to strong performance when negotiating with clients.
